

# Program SSAI 2017

Plenary session	Intensive care	Anaesthesia and periop medicine	General subjects
Pain	Emergency Crit Medicine	Special anaesthesia and intens care	Research, publication & teaching

## Wednesday September 6<sup>th</sup>

Room	A+B	C	D	E	Exhibition area/Conference area
07.30 - 09.00 Registration & Coffee					
09.00 - 10.30	<p><b>Prehospital cardiac care – what can we do to improve survival?</b> Chairs: Malin Rundgren and Hans Flaatten</p> <p>Timely and adequate allocation of prehospital medical assistance to cardiac arrest patients – how to do it? Theresa Olavsvengen (NO)</p> <p>How to optimize care for the cardiac arrest patient in the prehospital setting? Jacob Hollenberg (SE)</p> <p>Should we transport patients in cardiac arrest to the hospital or stay on scene? PRO-CON Hans Frimberg (SE) and Sten Rubertsson (SE)</p> <p>Prehospital ECMO – when and how? Lionel Lamhaut (FR)</p>	<p><b>Ultrasound-guided nerve blocks and effects of regional anaesthesia</b> Chair: Luis Romundstad</p> <p><b>TAP blockade - what's new?</b> Chairs: Borgeg Lund (DK)</p> <p><b>Update on regional anaesthesia for breast surgery</b> Michael Herrick (USA)</p> <p>..... SFAI subcommittee for regional anaesthesia</p>	<p><b>News in coagulation</b> Chairs: Vibeke Moen and Ulf Schött</p> <p><b>When is it safe to do regional anaesthesia?</b> Birgitta Romlin (SE)</p> <p><b>Chieding in paediatric surgery – case presentations.</b> Max Bell (SE)</p> <p><b>Endotheliopathy in acute critical illness.</b> Par I Johansson (DK)</p> <p><b>When not to simplify haemostasis management. Case presentations.</b> Anna Agren (SE)</p> <p><b>Critical bleeding state of the art</b> Jakob Stensballe (DK)</p>	<p><b>Improving outcome through audit and quality register - A Scandinavian perspective</b> Chairs: Ritra Kliski-Berggren and Sten Walther</p> <p><b>The essential prerequisites for any quality register: data quality</b> Reider Kvåle (NO)</p> <p><b>How to use quality register data for quality improvement</b> Matti Reinikainen (FIN)</p> <p><b>Differences between Nordic quality registers</b> Steffen Christensen (DK)</p> <p><b>Using quality registers for research</b> Carolina Samuelsson (SE)</p> <p>..... Swedish intensive care registry</p>	<p><b>Art exhibition</b> 08.00 - 16.30 Hans Huldt (SE) Lena Gamrin-Gripenberg (SE) Gunilla Islander (SE) and others</p> <p><b>Medical history</b> Gunilla Islander (SE)</p> <p>..... <b>Workshop</b> 09.00-16.30 <b>Haemodynamics and echocardiography.</b> Carl Blomqvist (SE) and Niklas Johnson (SE)</p> <p>..... <b>Posting posters</b> 09.00-10.30</p>
10.30-10.50 Coffee & exhibition					
10.50 - 11.30	<p><b>The SSAI &amp; SFAI 2017 welcome address</b> Mikael Bodelsson, Jonas Åkeson, Sigridur Kalman, Martin Holmer</p> <p><b>Launch of the new SSAI logo</b> Søren Pischke</p> <p><b>Scandinavian industry grant</b> Miklós Lipcsey</p>				<p><b>Workshop</b> Continue.</p>
11.30 - 12.10	<p><b>The Asmund Laerdal Memorial Lecture:</b> Introduction by Mikael Bodelsson</p> <p><b>Deconstructing fluid resuscitation in African children: a forensic analysis of the FEAST trial</b> Kathryn Maitland, London (UK)</p>				
12.10-13.30 Lunch & exhibition					
13.30 - 15.00	<p><b>Ketamine – current practice and emerging concepts</b> Chairs: Jan Persson and Jonas Åkeson</p> <p><b>Analgesia – mechanisms and current practice</b> Jan Persson (SE)</p> <p><b>Anaesthesia – mechanisms and current practice</b> Jonas Åkeson (SE)</p> <p><b>Mechanisms for therapeutic management of depressive disorders</b> Anders Tingström (SE)</p> <p><b>Clinical use in major depression</b> Mats Lindström (SE)</p>	<p><b>Data driven perioperative quality improvement: The new frontier!</b> Chairs: Martin Holmer and Brian Sites</p> <p><b>The Swedish Perioperative Register (SPOR)</b> Claes Mangulus (SE)</p> <p><b>Using quality registers to improve perioperative outcomes; an international perspective</b> Rupert Pearce (UK)</p> <p><b>Using SPOR data to improve patient care</b> Gunnar Enlund (SE)</p> <p><b>Swedish perioperative outcomes research</b> Michelle Chew (SE)</p> <p>..... The Swedish perioperative registry (SPOR)</p>	<p><b>Acute kidney injury</b> Chairs: Max Bell and David Piroos</p> <p><b>Long time survival and morbidity after CRRT</b> Claire Rimes-Stigare (SE)</p> <p><b>Postoperative AKI</b> Max Bell (SE)</p> <p><b>Earlier vs later CRRT</b> Johan Mårtensson (SE)</p> <p><b>The RRT catheter – placement comes first</b> Miklós Lipcsey (SE)</p> <p><b>Phosphate and magnesium ions in critical illness</b> Marcus Broman (SE)</p>	<p><b>Mass casualties</b> Chairs: Gunilla Islander and Sten Rubertsson</p> <p><b>Experiences from the Paris attacks November 13<sup>th</sup> 2015</b> Pierre Carli (FR)</p> <p><b>Experiences from the Brussels attacks March 22<sup>nd</sup> 2016</b> Elkana Keersebilck (BE)</p> <p><b>What should I know about chemical weapons on trauma care in Norway – data, achievements and lessons learned</b> Torben Wisborg (NO)</p> <p><b>TEMS - Tactical Emergency Medical Service</b> - Is this a new path we need to implement? Peter Berlac (DK)</p> <p><b>The European trauma course – the team approach. Why is this the right course for anaesthesiologists?</b> Karl Christian Thies (UK)</p>	<p><b>Workshop</b> Continue.</p> <p><b>Poster sessions</b> 13.30 - 15.00</p> <p><b>Posters 1-8:</b> Cardiovascular Anaesthesia Chair: Preben Berthelsen</p> <p><b>Posters 18-24:</b> General Anaesthesia and Perioperative Medicine Chair: Søren Pischke</p> <p><b>Posters 25-32:</b> Neurosurgical Anaesthesia and Intensive Care Chair: Ulf Schött</p> <p><b>Posters 33-41:</b> SSAI Education Program in Obstetric Anaesthesia Chair: Vegard Dahl</p>
14.30 - 15.10	<p><b>Lund University 350 year celebration lecture (14.40 - 15.10)</b> Introduction by Jonas Åkeson</p> <p><b>The importance of finding the way</b> Edvard Moser, Trondheim (NO)</p> <p><b>2014 Nobel Prize Laureate in Physiology or Medicine</b></p>				
15.00-15.30 Coffee & exhibition					
15.30 - 16.30	<p><b>Critical conditions in a global perspective</b> Chairs: Claes Frostell and Elin Björnstad</p> <p><b>Sepsis management in resource-limited hospitals in Africa</b> Kathryn Maitland (UK)</p> <p><b>Collaboration with a resource-limited region in Africa: Milestones and challenges</b> Dar Es Salaam versus Stockholm</p> <p><b>The anaesthesiologist's perspective</b> Lars Irestedt (SE)</p> <p><b>The paediatrician's perspective</b> Viveka Nordberg (SE)</p>	<p><b>Perioperative Medicine saves lives, why, how and what are YOU doing about it?</b> Chairs: Suzanne Odeberg-Wernerman and Sven Erik Gissvold</p> <p><b>Introduction to the concept "Perioperative"</b> Sven Erik Gissvold (NO)</p> <p><b>Why perioperative medicine? How it changes outcome</b> Rupert Pearce (UK)</p> <p><b>How should we do it? Hot topics in perioperative research</b> Michelle Chew (SE)</p> <p><b>What are we doing about it? Inspiring and implementing change</b> Anna Cedborg (SE)</p> <p>..... SSAI educational program for perioperative medicine and management</p>	<p><b>Paediatric anaesthesia and web-based learning</b> Chairs: Joseph Cravero and Pertti Suominen</p> <p><b>SAFEIOTS</b> Torsten Lauritsen (DK)</p> <p><b>Web-based learning in paediatric anaesthesia – an educational project from ESPA and SSAI</b> Mathias Johansen (DK)</p> <p>..... SSAI educational program in paediatric anaesthesia and intensive care and the SFAI subcommittee on paediatric anaesthesia and intensive care</p>	<p><b>Prehospital emergency critical care and trauma</b> Chairs: Lars Rasmussen and Theresa Olavsvengen</p> <p><b>Trauma Care: Implementing a national program on trauma care in Norway – data, achievements and lessons learned</b> Torben Wisborg (NO)</p> <p><b>TEMS - Tactical Emergency Medical Service</b> - Is this a new path we need to implement? Peter Berlac (DK)</p> <p><b>The European trauma course – the team approach. Why is this the right course for anaesthesiologists?</b> Karl Christian Thies (UK)</p>	<p><b>Workshop</b> Continue.</p> <p><b>Poster sessions</b> 15.30 - 16.30</p> <p><b>Posters: 42-45:</b> Pain Chair: Jan Persson</p> <p><b>Posters 9-17:</b> Paediatric Anaesthesia and Intensive Care Chair: David Costi</p> <p>15.30 - 16.30</p> <p><b>Posters 9-17:</b> General Anaesthesia and Perioperative Medicine Chair: Andreas Harsten</p>
16.40 - 17.30	<p><b>The Martin H:son Holmdahl Lecture</b> Introduction by Sten Rubertsson</p> <p><b>Safe and effective surgery: everyone's job?</b> Rupert Pearce, London (UK)</p>				
17.30-19.30 Get-together party. Exhibition area.					

## Thursday September 7<sup>th</sup>

Room	A+B	C	D	E	Julia	Exhibition area/Conference area	
07.30 - 08.00 Registration							
08.00 - 09.30	<p><b>Life after critical illness and what we can do to make it better</b> Chairs: Gisela Lilja and Christian Rylander</p> <p><b>Introduction</b> Christian Rylander (SE)</p> <p><b>Multiple interventions in the ICU – are they worthwhile?</b> Janet Froulund Jensen (DK)</p> <p><b>ICU delirium-critical factors and liberation bundles</b> Pratik Pandharipande (USA)</p> <p><b>Can we identify vulnerable ICU patients in need of support after ICU discharge?</b> Anna Milton (SE)</p> <p><b>What you get is what you ask for – a specific follow-up questionnaire</b> Johan Malmgren (SE)</p>	<p><b>OR management</b> Chairs: Martin Holmer and Eva Oddy-Muhrbeck</p> <p><b>Evidencebased leadership – learning, what does that mean?</b> Carl Savage (SE)</p> <p><b>Implementing perioperative pathways in emergency surgery in the elderly</b> Nicolaï Bang Foss (DK)</p> <p>..... SFAI subcommittee for operation room management</p>	<p><b>Earlier detection and management of clinical deterioration – a matter of patient safety</b> Chairs: Malin Rundgren and Jonas Åkeson</p> <p><b>Promoting patient safety outside the operating or intensive care room</b> Sven Erik Gissvold (NO)</p> <p><b>Reducing hospital mortality by systematic early warning scoring</b> Gitta Burkenborg (DK)</p> <p><b>Medical emergency teams – do they matter?</b> Andreas Hvarfner (SE)</p> <p><b>Panel discussion</b></p>	<p><b>Advances in pharmacology and toxicology I</b> - use, abuse and misuse Chairs: Gunilla Islander and Jan Persson</p> <p><b>The challenge of new party drugs</b> Kai Knudsen (SE)</p> <p><b>The American opioid crisis</b> Brian Sites (USA)</p> <p><b>How to relax before and after rapid sequence induction</b> Malin Jonsson Fagerlund (SE)</p> <p><b>Current and future paediatric use of ultra-long acting local anaesthetics</b> Joseph Cravero (USA)</p>			<p><b>Poster sessions</b> 08.00- 09.30</p> <p><b>Posters 53-59:</b> SSAI Education Program in Paediatric Anaesthesia and Intensive Care Chair: Pertti Suominen</p> <p><b>Posters 60-67:</b> Airway and Respiration Chair: Anders Larsson</p> <p><b>Posters 68-75:</b> Critical Emergency Medicine Chair: Torben Wisborg</p> <p><b>Workshop</b> 08.00-11.00</p> <p><b>Perioperative Hypnosis</b> Allan Cyna (AUS)</p> <p>..... <b>Workshop A</b> 08.00-09.30</p> <p><b>The Difficult Airway</b> Bruno Enekvist (SE) Karolina Persson (SE) Louise Walther-Sturesson (SE)</p>
09.30-10.00 Coffee & exhibition							
10.00 - 11.00	<p><b>Basics and secrets of protective ventilation</b> Chairs: Mikael Bodelsson and Michael Haney</p> <p><b>Transpulmonary driving pressure determined by a PEEP step – a new simple method for separating lung and chest wall mechanics</b> Ola Stenqvist (SE)</p> <p><b>The new PEEP step method for transpulmonary pressure – too good to be true?</b> Paolo Pelosi (IT)</p> <p><b>The way I do it</b> Anders Larsson (SE)</p>	<p><b>News in out-patient anaesthesia</b> Chairs: Lars Rasmussen and Malin Jonsson Fagerlund</p> <p><b>Post-discharge pain management in out-patient surgery. Old problem, new solutions.</b> Anil Gupta (SE)</p> <p><b>Post-discharge issues beyond pain in out-patient surgery</b> Johan Reeder (NO)</p> <p><b>PRO-CON debate: Should the definition of day surgery be extended up to 24-hours admission?</b> PRO: Anil Gupta (SE) CON: Johan Reeder (NO)</p>	<p><b>Preparing medical students for rapid bedside action</b> Chairs: Lil Blomqvist and Jonas Åkeson</p> <p><b>Graduate teaching and training of urgent bedside management</b> Owain Thomas (SE)</p> <p><b>What should a severely deteriorated patient expect from a junior doctor?</b> Peter Svensson (SE)</p> <p><b>Undergraduate teaching, training and examination of urgent bedside management</b> Jonas Åkeson (SE)</p> <p><b>Panel discussion</b></p>	<p><b>Advances in pharmacology and toxicology II</b> Chairs: Thomas Kander and Ingrid Didriksson</p> <p><b>Alcohol and treatment in the ICU</b> Johanna Hästbacka (SE)</p> <p><b>Nonsedation – experimental or routine?</b> Palle Toft (DK)</p> <p><b>Antibiotics - the right dose, to the right patient, right now!</b> Fredrik Sjöval (SE)</p>			<p><b>Poster sessions</b> 10.00 - 11.00</p> <p><b>Posters 79-81:</b> General Anaesthesia Chair: Johan Lundberg</p> <p><b>Posters 82-86:</b> Obstetric Anaesthesia and Intensive Care Chair: Susanne Ledin-Eriksson</p> <p><b>Posters 87-91:</b> Regional Anaesthesia Chair: Luis Romundstad</p> <p>..... <b>The Difficult Airway</b> Bruno Enekvist (SE) Karolina Persson (SE) Louise Walther-Sturesson (SE)</p>
11.10 - 12.10	<p><b>Torsten Gordh State-of-the-Art Lecture 2017:</b> Introduction by Lars I Eriksson</p> <p><b>Big data versus the RCT</b> Derek Angus, Pittsburgh (USA)</p>					<p><b>Art exhibition</b> 08.00 - 17.00 Hans Huldt (SE) Lena Gamrin-Gripenberg (SE) Gunilla Islander (SE) and others</p> <p><b>Medical history</b> Gunilla Islander (SE)</p>	
12.10-13.30 Lunch & exhibition							
13.30 - 15.00	<p><b>Controversies in fluid therapy</b> Chairs: Derek Angus and Anders Holmström</p> <p><b>Basic science of fluid therapy</b> Robert Hahn (SE)</p> <p><b>Is there evidence for any fluid therapy in critically ill</b> Anders Perner (DK)</p> <p><b>Is there a place for colloids in resuscitation of the critically ill?</b> Peter Bentzer (SE)</p>	<p><b>Fast track surgery I</b> Chairs: Andreas Harsten and Johan Reeder</p> <p><b>Why should we do it?</b> Henrik Kehlet (DK)</p> <p><b>The role of the anaesthesiologist in ERAS</b> Narinder Rawal (SE)</p> <p><b>The role of the ERAS Society</b> Olle Ljungqvist (SE)</p>	<p><b>SSAI 2017 - Best Abstract Competition and Presentations</b> Chairs: Michael Haney and Jonas Åkeson</p> <p><b>Nina Vibeche Skei (NO)</b></p> <p><b>Goran Lovric (CH)</b></p> <p><b>Karen Louise Ellekjær (DK)</b></p> <p><b>Anna-Karin Strand (SE)</b></p> <p><b>Michael Kremke (DK)</b></p> <p><b>Kimberly Macala (CA)</b></p> <p><i>The audience is invited to vote for the best oral presentation on site.</i></p> <p>..... SSAI &amp; ACTA Anaesthesiologica Scandinavica</p>	<p><b>Expanding buffers in cardiac arrest trials</b> Chairs: Nicole Juffermans and Hans Friberg</p> <p><b>What are the optimal O<sub>2</sub> and PCO<sub>2</sub> targets during and after cardiac arrest?</b> Markus Skrifvars (FIN)</p> <p><b>Prolonged or deeper cooling after cardiac arrest</b> Hans Kirkegaard (DK)</p> <p><b>Lessons from the TTM-trial and planning for the next</b> Niklas Nielsen (SE) Tobias Cronberg (SE) Gisela Lilja (SE)</p>	<p><b>What could we all learn from recent scandals in health care?</b> Chair: Carolina Samuelsson</p> <p><b>The whistle blowers</b> Karl-Henrik Grinnemo (SE)</p> <p><b>The Macchiarini investigation</b> Bengt Gerdin (SE)</p> <p><b>Macchiarini - a journalist's view</b> Bo Lindqvist (SE)</p> <p><b>A professor's view on patient safety</b> Hans Rutberg (SE)</p> <p>..... SFAI subcommittee for young anaesthesiologists (SYA)</p>	<p><b>Poster sessions</b> 13.30 - 15.00</p> <p><b>Posters 92-99:</b> Critical Monitoring Chair: Stefan Lundin</p> <p><b>Posters 100-107:</b> Intensive Care Medicine Chair: Johan Persson</p> <p><b>Posters 108-114:</b> SSAI Education Program in Obstetric Anaesthesia Chair: Birgitta Birgisdottir</p> <p>..... <b>Workshop A</b> 13.30-15.00</p> <p><b>Ultrasound guided nerve blocks</b> Michael Herrick (USA) Jan-Erik Kull (SE)</p>	
15.00-15.30 Coffee & exhibition							
15.30 - 17.00	<p><b>Acute pain</b> Chairs: Audun Stubhaug and Brian Sites</p> <p><b>The SSAI pain educational program through 15 years</b> Niels-Henrik Jensen (DK)</p> <p><b>Acute pain after surgery - lessons learned from the last decade</b> Stephan Schug (AUS)</p> <p><b>Perioperative opioid treatment - the crucial importance of timing</b> Audun Stubhaug (NO)</p> <p><b>Acute neuropathic pain</b> Stephan Schug (AUS)</p> <p>..... SSAI pain educational program</p>	<p><b>Fast track surgery II</b> Chairs: Johan Lundberg and Vibeke Moen</p> <p><b>General or regional anaesthesia in orthopaedic surgery</b> Andreas Harsten (SE)</p> <p><b>Why in PACU?</b> Eske Kvamner Asvang (DK)</p> <p><b>The way forward</b> Henrik Kehlet (DK)</p>	<p><b>Clinical research – from idea to publication to implementation</b> Chairs: Jon Henrik Laake and Ann Møller</p> <p><b>How to conduct high-quality clinical research?</b> Anders Perner (DK)</p> <p><b>Challenges in clinical research</b> Niklas Nielsen (SE)</p> <p><b>Why are most clinical research findings not spectacular?</b> Morten Hylander Møller (DK)</p> <p><b>Does clinical research help me take care of my patient?</b> Derek Angus (USA)</p> <p>..... SSAI clinical practice committee</p>	<p><b>Postoperative diuresis - should we even care?</b> Chairs: Hans Hjeltnes and Magnus Iversen</p> <p><b>Intraoperative determinants of postoperative decline in renal function</b> Pater Noordzij (NL)</p> <p><b>Fluids at the PACU - the easy way out?</b> Max Bell (SE)</p> <p><b>Diuresis - facts, fiction and future</b> Mareike Körber (GE)</p> <p>..... SFAI subcommittee for post-operative care medicine</p>			<p><b>Poster sessions</b> 15.30 - 17.00</p> <p><b>Posters 115-121:</b> Airway and Respiration Chair: Sven Erik Gissvold</p> <p><b>Posters 122-129:</b> Intensive Care Medicine Chair: Johan Undén</p> <p><b>Posters 130-138:</b> SSAI Education Program in Cardiothoracic and Vascular Anaesthesia Chair: Andreas Nygren</p> <p>..... <b>Workshop B</b> 15.30-17.00</p> <p><b>Ultrasound guided nerve blocks</b> Michael Herrick (USA) Jan-Erik Kull (SE)</p>
19.00-01.00 Banquet at Malmö Live - Dag Hammarskjölds Torg 2, Malmö city centre							

## Friday September 8<sup>th</sup>

Room	A+B	C	D	E	Julia	Exhibition area/Conference area	
07.30-08.00 Registration & Coffee							
08.00 - 09.30	<p><b>he Acta Session - scientific concerns</b> Chairs: Michael Haney and Sven Erik Gissvold</p> <p><b>Challenging clinical trials: Why doesn't early goal-directed therapy work?</b> Derek Angus (USA)</p> <p><b>Does the anaesthesiologist make a difference? A tricky example with a retracted article</b> Andrew Klein (UK)</p> <p><b>Spins, lies and truths - observational data in medicine and anaesthesiology</b> Brian Sites (USA)</p> <p>..... The editorial board of Acta Anaesthesiologica Scandinavica</p>	<p><b>What's new in Caesarean?</b> Chairs: Johanna Sarveila and Vegard Dahl</p> <p><b>Should we abandon succinylcholine and pentothal in GA Caesarean delivery</b> Antti Väänänen (FIN)</p> <p><b>What is, or is there, a place for fast track/ERAS in Caesarean delivery</b> Ulla Bang (DK)</p> <p><b>Post Caesarean analgesia - an update</b> Kim Ekelund (DK)</p> <p>..... SSAI program in obstetric anaesthesia and intensive care</p>	<p><b>ARDS</b> Chairs: Hilde Norum and Andreas Nygren</p> <p><b>Physiology/pathophysiology of ARDS and conventional ventilator therapy - protective ventilation</b> Jon Henrik Laake (NO)</p> <p><b>Adjuvant therapy and advanced mechanical ventilation</b> Steffen Christensen (DK)</p> <p><b>ECMO - indications and concerns</b> Jacob Greisen (DK)</p> <p><b>Discussion</b></p> <p>..... SSAI educational program in cardiothoracic and vascular anaesthesia</p> <p>..... SFAI subcommittee for general anaesthesia</p>	<p><b>Update in clinical monitoring</b> Chairs: Michelle Chew and Preben Berthelsen</p> <p><b>Prehospital ECHO</b> Per Bredmose (NO)</p> <p><b>In-hospital ECHO</b> Lili Blomqvist (SE)</p> <p><b>Monitoring CBF and ICP</b> Peter Reinstrup (SE)</p> <p><b>New monitoring techniques to assess composition of alveolar gases</b> Emilie Krite Svanberg (SE)</p>	<p><b>Oxygen fraction during surgery</b> Chairs: Lars Rasmussen and Anders Larsson</p> <p><b>Should we use a high oxygen fraction to decrease surgical site infection rate?</b> Christian Meyhoff (DK)</p> <p><b>Pulmonary complications are associated with intraoperative oxygen fraction.</b> Anne Kathrine Støhr Rye (DK)</p>	<p><b>Poster sessions</b> 08.00 - 09.30</p> <p><b>Posters 139-146:</b> Critical Infections and Vascular Access Chair: Jonas Åkeson</p> <p><b>Posters 147-154:</b> General Anaesthesia Chair: Luis Romundstad</p> <p><b>Posters 155-162:</b> Intensive Care Medicine Chair: Hans Flaatten</p> <p><b>Art exhibition</b> 08.00-13.30 Hans Huldt (SE)</p> <p><b>Medical history</b> Gunilla Islander (SE)</p> <p>..... <b>Workshop</b> 08.00-12.00</p> <p><b>Free Open Access Medication - FOAM</b> Sandra Viggers (DK)</p>	
09.30-10.00 Coffee & exhibition							
10.00 - 11.00	<p><b>History of Scandinavian anaesthesia and intensive care medicine</b> Chair: Sigridur Kalman</p> <p><b>Honorary lecture: Reflexions by the first president of the modern SSAI:</b></p> <p><b>Looking back, ahead and around</b> Sten Lindahl (SE)</p> <p>..... SSAI and the Swedish Society of Anaesthesiology and Intensive Care (SFAI)</p>	<p><b>The frail parturient</b> Chairs: Susanne Ledin-Eriksson and Birgitta Birgisdottir</p> <p><b>Pulmonary hypertension in pregnancy – clinical aspects</b> Olof Viktorström (IS)</p> <p><b>Neuromuscular disease and pregnancy</b> Gunilla Islander (SE)</p> <p>..... SSAI educational program in obstetric anaesthesia and intensive care</p>	<p><b>Anaesthesia and over less uncommon conditions</b> Chairs: Stefan Lundin and Suzanne Odeberg-Wernerman</p> <p><b>Anaesthesia to liver transplanted patients and patients with liver disease</b> Anna Januszkiwicz (SE)</p> <p><b>Update on GUCH for anaesthesiologists</b> Ulf Thilén (SE)</p> <p>..... SFAI subcommittee for general anaesthesia</p>	<p><b>Perioperative management of patients with Obstructive Sleep Apnea Syndrome (OSAS)</b> Chairs: Morten Hylander and Johan Persson</p> <p><b>Is perioperative screening for OSAS needed?</b> Malin Jonsson Fagerlund, (SE)</p> <p><b>Perioperative treatment of sleep apnoea</b> Karl Franklin (SE)</p> <p><b>How to evaluate patients with OSAS postoperatively</b> Stephan Schwager (SE)</p> <p>..... SFAI subcommittee for ENT and reconstructive anaesthesia and intensive care</p>			<p><b>Workshop</b> Continue.</p>
11.10 - 12.10	<p><b>Acta Anaesthesiologica Scandinavica Foundation</b> Introduction by Michael Haney</p> <p><b>Prize giving ceremony. Best abstract competition.</b></p> <p><b>The ACTA Lecture: Anaesthesia in women and women in anaesthesia</b> Elise Tannesen, Aarhus, (DK)</p>					<p><b>12.30-13.30 SSAI Annual Assembly</b></p>	
12.10-13.30 Lunch & exhibition							
13.30 - 15.00	<p><b>Critical infections</b> Chairs: Michelle Chew and Fredrik Sjöval</p> <p><b>Sepsis-3</b> Derek Angus (USA)</p> <p><b>Coating of sepsis patients</b> Morten Bestle (DK)</p> <p><b>New diagnostic tools</b> Adam Linder (SE)</p> <p><b>Hyper- and hypocoagulopathy in sepsis</b> - the do's and don'ts! Nicole Juffermans (NL)</p>	<p><b>Basic science and recent findings in Scandinavian obstetric anaesthesia research</b> Chairs: Elin Björnstad and Kim Ekelund</p> <p><b>Remifentanyl in labour analgesia – where are we in 2017 – an update</b> Vegard Dahl (DK)</p> <p><b>Fibrinogen, haemostasis and postpartum haemorrhage</b> Ove Karlsson (SE)</p> <p><b>Hypotonaemia complicating labour, implications for mother and fetus</b> Vibeke Moen (SE)</p> <p>..... SFAI subcommittee for obstetric anaesthesia and intensive care</p>	<p><b>Perioperative management and long-term outcome in paediatric anaesthesia</b> Chairs: David Costi and Sten Lindahl</p> <p><b>Young brains and anaesthesia – how big are the risks?</b> Pia Glatz (SE)</p> <p><b>Chronic postoperative surgical pain in children</b> Ulla Caverius (SE)</p> <p><b>Big data in paediatric anaesthesiology</b> Joseph Cravero (USA)</p>	<p><b>Presentations by recipients of research grants and scientific awards</b> Chairs: Christina Entrei and Miklós Lipcsey</p> <p><b>SSAI research grant:</b> Elin Thorlacius Christian Meyhoff Sören Marker Jensen</p> <p><b>Acta Foundation award for best Swedish PhD thesis 2017:</b> Lena Sand Bown</p> <p><b>Acta Foundation award for the best oral presentation at the Swedish Research Forum 2017:</b> Per Möller</p>	<p><b>Social media and FOAM (Free Open Access Medication) - education and research today, a new era</b> Chairs: Søren Pischke and Louise Hammer Yndigegn</p> <p><b>Good old internet</b> Gunilla Islander (SE)</p> <p><b>Social media in daily working life – more than checking gossip?</b> Per Bredmose (NO)</p> <p><b>FOAM – am I already using it? Can I become a FOAMer?</b> Sandra Viggers (DK)</p> <p><b>Panel discussion: Critical appraisal of sources for information – publishing study results in the FOAM community instead of scientific journals</b> Tor Inge Tannesen (NO), Mads Astvad (DK), Sandra Viggers (DK), Per Bredmose (NO)</p>		
15.00-15.30 Coffee & exhibition							
15.30 - 17.00	<p><b>Hot Topics</b> Chairs: Jonas Åkeson and Christina Eintrei</p> <p><b>Does anaesthesia affect patient outcome in malignant disease?</b> Mats Enlund (SE)</p> <p><b>Anaesthesia for endovascular treatment in acute ischaemic stroke</b> Mads Rasmussen (DK)</p> <p><b>No ventilation – yet full oxygenation</b> Åsa Lodénus (SE)</p> <p><b>Does anaesthesia promote development of dementia?</b> Christina Eintrei (SE)</p> <p><b>Pre-operative fasting – to be or not to be?</b> Peter Frykholm (SE)</p> <p>..... SFAI subcommittee for teaching and research (SFAI-UF)</p>	<p><b>The SSAI ICM training program - why is anaesthesia not enough?</b> Chairs: Morten Bestle and Gisl Sigurdsson</p> <p><b>The SSAI ICM program, present and future perspectives</b> Gisl H Sigurdsson (IS)</p> <p><b>Why do we need extra training in intensive care medicine?</b> Hans Flaatten (NO)</p> <p><b>How did my participation in the SSAI ICM program affect my professional career?</b> Christian Rylander (SE)</p> <p>..... SSAI educational program in intensive care medicine</p>	<p><b>Psychological aspects in paediatric anaesthesia</b> Chairs: Ulla Caverius and Pertti Suominen</p> <p><b>Needle phobia</b> Allan Cyna (AUS)</p> <p><b>New methods of measuring quality of paediatric sedation</b> Joseph Cravero (USA)</p> <p><b>Emergence agitation</b> David Costi (AUS)</p>
