

**Wednesday May 31<sup>st</sup>**

Mini courses for non specialists and nurses at Sahlgrenska University Hospital and Wallenberg Center. See separate information at [www.nordicent2017.org](http://www.nordicent2017.org)

**Registration and Get Together at the Swedish Exhibition and Congress Centre** hosted by the city of Gothenburg & Region Västra Götaland

**Thursday June 1<sup>st</sup>**

**Early Morning Run / Workout** - Meeting point: outside main entrance of Hotel Gothia Towers

**Registration**

**F4+F5**

**F3**

**F2**

**F1**

**Sponsored Lecture: Medtronic**

“Frontal sinus approaches and technological advances”

*Raj Ballah, Consultant rhinologist and endoscopic skull base surgeon, Manchester, UK*

**Otolitens årsmöte**

Ordförande: Karolina Bende

**Opening Ceremony**

**Key Note Lecture**

Professor Claes Möller, Örebro

*“From cell to society - on genetic hearing loss: past, present and future”*

Moderator: Ylva Dahlin Redfors

**Gunnar Holmgren Lecture**

Professor William Coman, Brisbane, Australia

*“ENT - Where are we today?”*

**Lunch / Posters / Exhibition**

**Sleep disordered breathing in children - where are we and where do we go?**

Moderated by: Danielle Friberg

Introduction - *Danielle Friberg*

How do we do it in Norway - *Harriet Akre*

How do we do it in Finland - *Laura Mäkinen*

How do we do it in Skåne - *Anna Redmo*

How do we do it in Göteborg - *Gunnhildur Gudnadottir*

How do we do it in Stockholm? - *Danielle Friberg*

Polysomnography versus polygraphy in children - *Paul Murphy*

Discussion & questions

**Dental sinusitis - a common but disregarded chronic disease**

Moderated by: Morgan Andersson

**Speakers**

Karin Blomgren

Boel Kullendorff

**CI - old & new indications & Nordic experiences**

Moderated by: Elina Mäki-Torkko

EAS and hearing preservation surgery - *Elsa Erixon*

CI in children representing minority groups - *Marie Bunne*

CI in patients with vestibular schwannoma - *Per Cayé-Thomasen*

Discussion & questions

**FÖNHs Program**

**Addressing the consequences of H&N cancer treatment**

*Prof. Mary Wells, University of Stirling, UK*

Moderated by: Ylva Tiblom Ehrsson

**Coffee / Posters / Exhibition**

**Kaffe & Posterutställning**

**Beating the H&N Cancer by standardized management, centralisation and collaboration**

Moderated by: Göran Laurell

Prevention of oropharyngeal cancer – is there a role for gender neutral HPV vaccination? - *Jon Morik*

The Danish head and neck cancer fast track programme: Organization and experience in a university center - *Christian Godballe*

Why Quality Registers - and Why so little Collaboration? - *Johan Wennerberg*

Head and Neck cancer management in the Nordic countries - an effort to harmonize treatment - *Antti Mäkitie*

Need of a multidisciplinary approach in the treatment of ear canal cancer - *PO Eriksson*

Discussion

**Increased collaboration for teaching surgical skills**

Moderated by: Malin Siegbahn

Cadaver dissection - *Pär Stjärne & Christian von Buchwald*

Simulation in ENT training - *Jacob Melchior & Steven Andersen*

Clinical teaching in surgery - *Margareta Berg*

UEMS update on the resident log book - *Pernilla Sahstrand Johnson*

Discussion & questions

**Cranio-facial trauma: collaboration & future - the Nordic perspective**

Moderated by: Ann Hermansson

The primary question will be how to handle cranio-facial trauma in the emergency room and how to plan for further intervention.

Which patients need surgery? Who should operate? When to operate?

Cases will be discussed by the panel and the audience.

*Preben Homø & Petri Koivunen*

**Att arbeta och samarbeta effektivt i team**

*Lena Sharp, Med. Dr., onkologisjuksköterska, RCC Stockholm*

Moderator: Lisa Hansson Wettergren

**Från allergiutredning till behandling - Sjuksköterskans roll**

*Eva Hjertson & Sibel Dahl, leg. sjuksköterskor*

*Skånes Universitetssjukhus, Lund*

Moderator: Agneta Hagren

**SFOHH meeting**

**“A night at the Garden” at Trädgår'n**

Friday June 2 <sup>nd</sup>
