

Information about premium exhibition package at the
XIII Congress of the Nordic Association for Otolaryngology

The Nordic Congress is held every three years and migrates between the Nordic countries, so we have the pleasure to arrange it in Sweden with 15-year intervals, which means that it is in many ways a unique event. By 2017, it is a joint arrangement with our Swedish annual meeting ENT days and the nursing association FÖNHs annual meeting. We expect 450-600 participants from Sweden and the Nordic countries.

The meeting takes place with the main program Thursday, June 1 to Saturday lunch, June 3 when the exhibition also is open. May 31 there are ongoing mini-courses during the day in premises other than the Swedish Exhibition Centre.

Swedish Association for Otorhinolaryngology Head and Neck Surgery is organizing the meeting in collaboration with Sahlgrenska Hospital ENT clinic and the exhibition is organized by the Association's company SFOHH Verksamheter AB.

The XXXIII Congress of the Nordic Association of Otolaryngology is decided by Ethical Med Tech to be compliant with the Eucomed Code of Ethical Business Practice and can be found in their calendar at www.ethicalmedtech.eu.

Moving in to the exhibition takes place on Wednesday May 31. The same night we will have a Get together party in the exhibition hall, which is adjacent to the lecture halls. Information about moving in is found via this link <http://uso.svenskamassan.se/event/page.asp?functionid=start&projectid=17505&Lang=EN>

Please note the information about exhibitor insurance.

The exhibition's premium package of 75 000 SEK excluding VAT, includes an

- exhibition area of 4 x 4 meters
- the option to customize your exhibition area
- company name highlighted in the program and in the lecture halls as premium exhibitor
- option to invite speaker for special session (limited by availability in program)
- a table 120 x 70 cm, a chair
- an electrical outlet 1-phase 3-way (max 2000 W 240V 10A)
- a rear/side wall 4 x 4 meters, 2.5 meters high

Extra chairs, change of table and other options are ordered from Svenska Mässan, and payed separately - please see the link above.

The price for one premium package includes admission to the exhibition and the scientific program for three persons with lunches, Get together and refreshments. Possible participation in the dinners is charged separately with 900: - + VAT per person and dinner. If more representatives from your company wishes to participate they are charged the equivalent of the lowest entry fee 4000 SEK + VAT.

To book a basic package send an email to nolf2017@sfohh.se. After the contract is signed a registration is required on the link staff registration.
