

CONGRESS OF
THE NORDIC ASSOCIATION
OF OTOLARYNGOLOGY

GOTHENBURG 2017
May 31 – June 3
www.nordic-ent.org

Dear Business partner,

The Swedish Association of Otorhinolaryngology, Head & Neck Surgery (SFOHH) would like to invite your company to participate in the exhibition at the XXXIII Congress of the Nordic Association of Otolaryngology May 31-June 3 2017 in Gothenburg Sweden. The event is a combination of the Nordic Congress and the 2017 National Swedish ENT meeting (ÖNH-dagarna). The Nordic Congress takes place every third year in one of the Nordic countries and the National Swedish meeting is an annual event moving between Swedish University clinics.

The XXXIII Nordic Congress will attract ENT doctors from all of the Nordic countries and ENT nurses from Sweden and will be the main ENT-meeting in a Nordic setting in 2017. The last two Nordic Congresses in Helsinki 2011 and Copenhagen in 2014 have been very successful both from an academic viewpoint and in terms of participants counting 400-500 participants.

We are looking forward to be welcoming your company as exhibitors at the meeting, making it the best Nordic Congress/National Swedish meeting ever!

Date: 31/5-3/6 2017

Place: Svenska Mässan- Gothia Towers Hotel Gothenburg

Business partner for the exhibition: SFOHH Verksamheter AB – owned by SFOHH

PCO: Malmö Kongressbyrå

For more information, please contact: Mats Engström nolf2017@sfohh.se

Please visit us at: nordicent2017.org

See you in Gothenburg 2017!

Johan Hellgren President NOLF
