STOCKHOLM
19-21 JUNE
2023

MONDAY 19 June 2023

hrs	Aula Medica Auditorium	Aula Medica Floor 2	Aula Medica Floor 3
07:00- 08:30	Registration		
08:30-09:00	Welcome to WASOG 2023		
09:00-10:25	New concepts on disease characterization and phenotypes		
10:25-10:45		Poster Viewing	Coffee Break & Exhibition
10:45-12:10	Progress in complex phenotype prediction in ILDs across ancestries		
12:10-12:55	Poster Moderated Session I		
12:55-14:00		Poster Viewing	Lunch Break
14:00-15:25	Big data, biobanks, and genetic approaches		
15:25-15:45		Poster Viewing	Coffee break & Exhibition
15:45-16:45	Industry - Sponsored Lecture	Poster Viewing with Authors & Coffee	
16:45-18:05	Translational Medicine and data-driven clinical applications		
18:40	Transfer service from Aula Medica to Vasa Museum (one-way only)		
19:00-23:00	Welcome Reception at Vasa Museum		

TUESDAY 20 June 2023

hrs	Aula Medica Auditorium	Aula Medica Floor 2	Aula Medica Floor 3
08:30-09:55	Precision medicine in the digital health era		
09:55-10:15		Poster Viewing	Coffee Break & Exhibition
10:15-11:40	Multiomics for diagnostics in ILDs		
11:40-12:25	Poster Moderated Session II		
12:25-12:55	Industry - Sponsored Lecture		
12:55-14:00		Poster Viewing	Lunch Break
14:00-15:25	Immunological approaches and methods in ILDs		
15:25-15:45		Poster Viewing	Coffee Break & Exhibition
15:45-16:45	Patient Education Sessions	Poster Viewing with Authors & Coffee	
17:20	Transfer service from Aula Medica to Skansen (one-way only)		
18:00-23:00	Swedish Midsummer Fest at Skansen		

WEDNESDAY 21 June 2023

hrs	Aula Medica Auditorium	Aula Medica Floor 2	Aula Medica Floor 3
08:30-10:10	Immunological approaches and methods in ILDs		
10:10-10:30		Poster Viewing	Coffee Break & Exhibition
10:30-11:55	New approaches for patient care, palliative care, and quality of life		
11:55-12:40	Poster Moderated Session III		
12:40-12:55	Industry - Sponsored Lecture		
12:55-14:00		Poster Viewing	Lunch Break
14:00-14:55	Current clinical challenges in diagnosis and patient management in ILDs, I		
14:55-15:15		Poster Viewing	Coffee Break & Exhibition
15:15-16:00	Current clinical challenges in diagnosis and patient management in ILDs, II		
16:00-16:20	Poster Awards		
16:20-16:45	CONCLUSION REMARKS		
17:30	Transfer service from Aula Medica to Nobel Museum (one-way only)		
18:00-23:00	Cocktail Party at Nobel Museum		

MONDAY 19 June 2023

- 07:00-08:30 Registration
- 08:30-09:00 **WELCOME**
- Natalia Rivera (SE), Conference Chair
- Johan Grunewald (SE)
- Daniel Culver (USA), WASOG President

Session 1 New concepts on disease characterization and phenotypes

Chairs: Dominique Israël-Biet (FR) & Antje Prasse (DE)

- 09:00-09:10 Welcome and introduction - Characterization of phenotypes in ILDs (10 min)
- 09:10-09:25 **Topic in Patterns to sex differences and effect of age in ILDs** (10 min + 5 min Discussion)
- 09:25-09:40 **Topic in Radiography data on IPF to consider for application** (10 min + 5 min Discussion)
- 09:40-09:55 **Topic in Progressive interstitial lung disease** (10 min + 5 min Q&A)
- 09:55-10:15 **Topic in Panel Discussion**
All session faculty
- 10:15-10:25 **Summary and close**
Nabeel Hamzeh (USA)
- 10:25-10:45 *Coffee Break, Poster Viewing, Exhibition*

Session 2 Progress in complex phenotype prediction in ILDs across ancestries

Chairs: Janne Møller (DK) & Chair2

- 10:45-10:55 **Welcome and introduction**
Martin Kolb (CA)
- 10:55-11:10 **Topic in Race (and ancestry) as an important mediator of disease** (10 min + 5 min Discussion)
- 11:10-11:25 **Topic in Health Disparities in Sarcoidosis: Improving the outcome across ancestries**

(10 min + 5 min Discussion)

11:25-11:40 **Topic Patient-centered outcomes research in Interstitial Lung Disease**
(10 min + 5 min Discussion)

11:40-12:00 **Panel Discussion**
All session faculty

12:00-12:10 **Summary and close**
(10 min)

Poster Moderated Session I

Chairs: Rémy Mosdard & Marja-Liisa Lokki

12:10-12:25 **Selected abstract for oral presentation**
(10 min + 5 min Discussion)

12:25-12:40 **Selected abstract for oral presentation**
(10 min + 5 min Discussion)

12:40-12:55 **Selected abstract for oral presentation**
(10 min + 5 min Discussion)

12:55-14:00 ***Lunch Break***

Session 3 **Big data, biobanks, and genetic approaches**

Chairs: Paolo Spagnolo (IT) & Coline van Moorsel (NL)

14:00-14:10 **Welcome and introduction**
Lisa Maier (USA)

14:10-14:25 **Topic in Genetics/Genomics in ILDs**
(10 min + 5 min Discussion)

14:25-14:40 **Topic in Genetics of sarcoidosis**
Natalia Rivera (SE)

14:40-14:55 **Topic in biobank data to unravel the disease pathogenesis of IPF**
(10 min + 5 min Discussion)

14:55-15:15 **Panel Discussion**
All session faculty

15:15-15:25 **Summary and close**
(10 min)

15:25-15:45 ***Coffee Break, Poster Viewing, Exhibition***

Parallel Sessions

15:45-16:45

**Poster Viewing with Authors
& Coffee**
Aula Medica Floor 2

Industry - Sponsored Lecture
Aula Medica (45 min) -see page 13

Industry - Sponsored Lecture
Aula Medica (15 min) -see page 13

Session 4 Translational Medicine and data-driven clinical applications

Chairs: Apostolos Bossios (SE) & Chair2

16:45-16:55

Welcome and introduction
(10 min)

16:55-17:10

Topics in Potential drug targets using molecular data-driven analysis
(10 min + 5 min Q&A)

17:10-17:25

Topic in Applications of Big data in ILDs
(10 min + 5 min Q&A)

17:25-17:40

Topic in Big Data- can address sarcoidosis and IPF
(10 min + 5 min Q&A)

17:40-17:55

Panel Discussion
All session faculty

17:55-18:05

Summary and close
Hilario Nunes (FR)

19:00-23:00

WELCOME RECEPTION
at the VASA museum

Opening Plenary
Elyse Lower (USA)

Gerry James Lecture

The sarcoidosis saga: what insights from the past will guide us in the future
Robert Baughman (USA)

TUESDAY 20 June 2023

Session 5 Precision Medicine in the digital health era

Chairs: Lisa Maier (USA) & Chair2

- 08:30-08:40 **Welcome and introduction**
(10 min)
- 08:40-08:55 **Topic in single-cell talk in IPF**
(10 min + 5 min Q&A)
- 08:55-09:10 **Topic in single-cell talk in sarcoidosis**
(10 min + 5 min Q&A)
- 09:10-09:25 **Topic in single-cell talk in ILDs**
(10 min + 5 min Q&A)
- 09:25-09:45 **Panel Discussion**
All session faculty
- 09:45-09:55 **Summary and close**
(10 min)
- 09:55-10:15 ***Coffee Break, Poster Viewing, Exhibition***

Session 6 Multiomics for diagnostics in ILDs

Chairs: Chair1 & Chair2

- 10:15-10:25 **Welcome and introduction**
(10 min)
- 10:25-10:40 **Topic in omics - proteomics in ILDs**
(10 min + 5 min Q&A)
- 10:40-10:55 **Topic in omics – microbiome in ILDs**
(10 min + 5 min Q&A)
- 10:55-11:10 **Topic in Omics in autoimmune diseases (or ILDs)**
(10 min + 5 min Q&A)
- 11:10-11:30 **Panel Discussion**
All session faculty
- 11:30-11:40 **Summary and close**
(10 min)

Poster Moderated Session II

Chairs: Chair1 & Chair2

- 11:40-11:55 Selected abstract for oral presentation
(10 min + 5 min Q&A)
- 11:55-12:10 Selected abstract for oral presentation
(10 min + 5 min Q&A)
- 12:10-12:25 Selected abstract for oral presentation
(10 min + 5 min Q&A)

Industry - Sponsored Lectures

- 12:25-12:40 **Industry - Sponsored Lecture (15 min)** - see page 13
- 12:40-12:55 **Industry - Sponsored Lecture (15 min)** - see page 13
- 12:55-14:00 *Lunch Break*

Session 7 Immunological approaches and methods in ILDs

Chairs: Andrew Fontenot & Anna Smed Sørensen

- 14:00-14:10 **Welcome and introduction**
Dave Moller (USA)
- 14:10-14:25 **Topic in Immunological studies in ILDs**
(10 min + 5 min Q&A)
- 14:25-14:40 **Topic in Novel preclinical or animal disease models in ILDs**
(10 min + 5 min Q&A)
- 14:40-14:55 **Topic in Organelle models in ILDs**
(10 min + 5 min Q&A)
- 14:55-15:15 **Panel Discussion**
All session faculty
- 15:15-15:25 **Summary and close**
Eva Carmona Porquera (USA)
- 15:25-15:45 *Coffee Break, Poster Viewing, Exhibition*

Parallel Sessions

15:45-16:45

**Poster Viewing with Authors
& Coffee**
Aula Medica Floor 2

Patient Education session I

Aula Medica (30 min) - see page 14

Chairs: David Birnie (CA) & Shinichiro
Oshimo (JP)

Patient Education session II

Aula Medica (30 min) - see page 14

Chairs: Chair1 & Chair2

18:00-23:00

Swedish Midsummer Fest
at Skansen

WEDNESDAY 21 June 2023

Session 9 Immunological approaches and methods in ILDs

Chairs: Chair1 & Chair2

- 08:30-08:40** **Welcome and introduction**
Marcel Veltkamp (NL)
- 08:40-08:55** **Topic in Immunological studies in IPF**
(10 min + 5 min Q&A)
- 08:55-09:10** **Topic in Immunological studies in IPF**
(10 min + 5 min Q&A)
- 09:10-09:25** **Topic in Integrative approaches for biomarker identification in autoimmune diseases**
(10 min + 5 min Q&A)
- 09:25-09:40** **Topic in Immunological studies in sarcoidosis**
(10 min + 5 min Q&A)
- 09:40-10:00** **Panel Discussion**
All session faculty
- 10:00-10:10** **Summary and close**
(10 min + 5 min Q&A)
- 10:10-10:30** ***Coffee Break, Poster Viewing, Exhibition***

Session 10 New approaches for patient care, palliative care, and quality of life

Chairs: Marjolein Drent (NL) & Azuma Arata (JP)

- 10:30-10:40** **Welcome and introduction**
Francesco Bonella (DE)
- 10:40-10:55** **Topic in Health Disparities in Sarcoidosis: Improving the outcome**
(10 min + 5 min Q&A)
- 10:55-11:10** **Topic in Fatigue and QOL in sarcoidosis/ILD**
(10 min + 5 min Q&A)
- 11:10-11:25** **Topic in Measurement of QoL in asynchronous methods**
(10 min + 5 min Q&A)
- 11:25-11:45** **Panel Discussion**
All session faculty

11:45-11:55 **Summary and close**
Athol Wells (UK)

Poster Moderated Session III

Chairs: Chair1 & Chair2

11:55-12:10 **Selected abstract for oral presentation**
(10 min + 5 min Q&A)

12:10-12:25 **Selected abstract for oral presentation**
(10 min + 5 min Q&A)

12:25-12:40 **Selected abstract for oral presentation**
(10 min + 5 min Q&A)

Industry - Sponsored Lectures

12:40-12:55 **Industry - Sponsored Lecture (15 min) - see pages 13-14**

12:55-14:00 ***Lunch Break***

Session 11 **Current clinical challenges in diagnosis and patient management in ILDs**

Chairs: Athol Wells (UK) & Marlies Wijsenbeek (NL)

14:00-14:10 **Welcome and introduction**
Dan Culver (USA)

14:10-14:25 **State of biomarkers in fibrotic ILD: when will they ready for prime-time?**
Antje Prasse (DE)

14:25-14:40 **Molecular biology vs. clinical reasoning for diagnosis in ILDs**
Bruno Crestani (FR)

14:40-14:55 **Clinical implications of sarcoidosis pathogenesis: tools for diagnosis, prognosis, and therapeutics**
Jan Grutters (NL)

14:55-15:15 ***Coffee Break, Poster Viewing, Exhibition***

15:15-15:30 **The oncologic model as a paradigm for the treatment of fibrotic lung disease: is it a good fit?**
Katerina Antoniou (GR)

15:30-15:50 **Panel Discussion**
