

## Sponsor & Exhibition Invitation to MAGLEV 2024

We would like to invite you to The International Conference on Magnetically Levitated Systems and Linear Drives! It is renowned as the premier academic conference in its field. Since its inception in 1977, this conference has been held every two-three years, bringing together experts and enthusiasts from around the globe.

The conference program encompasses a variety of engaging sessions, including keynotes, parallel sections, and tracks focused on Technological Research and Development, Projects and Implementations, Sustainability Assessments and Societal Impacts of Maglev and Competing Technologies

We are thrilled to announce that the 26th edition of the conference, Maglev 2024, with focus on "Technological Advances and Future Impact Assessments", will be hosted by Blekinge Tekniska Högskola (BTH) in the vibrant city of Malmö. Anticipated to attract 200-250 researchers, professionals, and executives, this event promises to foster meaningful discussions and collaborations.
