10:25-10:45		Poster Viewing	Coffee Break & Exhibition
10:45-12:10	Progress in complex phenotype prediction in ILDs across ancestries		
12:10-12:55	Poster Moderated Session I		
12:55-14:00		Poster Viewing	Lunch Break
14:00-15:25	Big data, biobanks, and genetic approaches in ILDs		
15:25-15:45		Poster Viewing	Coffee break & Exhibition
15:45-16:45	Industry - Sponsored Lecture	Poster Viewing with Authors & Coffee	
16:45-18:05	Translational Medicine and data-driven clinical applications in ILDs		
18:40	Transfer service from Aula Medica to Vasa Museum (one-way only)		
19:00-23:00	Welcome Reception at Vasa Museum		

TUESDAY 20 June 2023

hrs	Aula Medica Auditorium	Aula Medica Floor 2	Aula Medica Floor 3
08:30-09:55	Precision medicine in the digital health era in ILDs		
09:55-10:15		Poster Viewing	Coffee Break & Exhibition
10:15-11:40	Multiomics for diagnostics in ILDs		
11:40-12:25	Poster Moderated Session II		
12:25-12:55	Industry - Sponsored Lecture		
12:55-14:00		Poster Viewing	Lunch Break
14:00-15:25	Immunological approaches and methods in ILDs, I		
15:25-15:45		Poster Viewing	Coffee Break & Exhibition
15:45-16:45	Patient Education Sessions	Poster Viewing with Authors & Coffee	
17:20	Transfer service from Aula Medica to Skansen (one-way only)		
18:00-23:00	Swedish Midsummer Fest at Skansen		

WEDNESDAY 21 June 2023

hrs	Aula Medica Auditorium	Aula Medica Floor 2	Aula Medica Floor 3
08:30-10:10	Immunological approaches and methods in ILDs, II		
10:10-10:30		Poster Viewing	Coffee Break & Exhibition
10:30-11:55	New approaches for patient care, palliative care, and quality of life in ILDs		
11:55-12:40	Poster Moderated Session III		
12:40-12:55	Industry - Sponsored Lecture		
12:55-14:00		Poster Viewing	Lunch Break
14:00-14:55	Current clinical challenges in diagnosis and patient management in ILDs, I		
14:55-15:15		Poster Viewing	Coffee Break & Exhibition
15:15-16:00	Current clinical challenges in diagnosis and patient management in ILDs, II		
16:00-16:20	Poster Awards		
16:20-16:45	CONCLUSION REMARKS		
17:30	Transfer service from Aula Medica to Nobel Museum (one-way only)		
18:00-23:00	Cocktail Party at Nobel Museum		

MONDAY 19 June 2023

07:00-08:30 **Registration**

08:30-09:00 **WELCOME**

Natalia Rivera (SE), Conference Chair

Johan Grunewald (SE)

Daniel Culver (USA), WASOG President

Session 1 **New concepts on disease characterization and phenotypes in ILDs**

Chairs: Dominique Israël-Biet (FR) & Antje Prasse (DE)

09:00-09:10 **Welcome and introduction - Characterization of phenotypes in ILDs**
Maneesh Bhargava (USA)

09:10-09:25 **Topic in Patterns to sex differences and effect of age in ILDs**
Wonder Drake (USA)

09:25-09:40 **Topic in Radiography data on IPF to consider for application**
Steve Humphries (USA)

09:40-09:55 **Topic in Progressive interstitial lung disease**
TBD (10 min + 5 min Q&A)

09:55-10:15 **Topic in Panel Discussion**
All session faculty

10:15-10:25 **Summary and close**
Mridu Gulati (USA)

10:25-10:45 ***Coffee Break, Poster Viewing, Exhibition***

Session 2 **Progress in complex phenotype prediction in ILDs across ancestries**

Chairs: Janne Møller (DK) & Catharina Moor (NL)

10:45-10:55 **Welcome and introduction**
Martin Kolb (CA)

10:55-11:10 **Topic in Race (and ancestry) as an important mediator of disease**
Yvette Cozier (10 min + 5 min Q&A)

- 11:10-11:25 **Topic in Health Disparities in Sarcoidosis: Improving the outcome across ancestries**
Michelle Sharp (USA)
- 11:25-11:40 **Topic Patient-centered outcomes research in Interstitial Lung Disease**
TBD (10 min + 5 min Q&A)
- 11:40-12:00 **Panel Discussion**
All session faculty
- 12:00-12:10 **Summary and close**
TBD (USA)

Poster Moderated Session I

Chairs: Chair1 & Chair2

- 12:10-12:25 **Selected abstract for oral presentation**
TBD (10 min + 5 min Q&A)
- 12:25-12:40 **Selected abstract for oral presentation**
TBD (10 min + 5 min Q&A)
- 12:40-12:55 **Selected abstract for oral presentation**
TBD (10 min + 5 min Q&A)
- 12:55-14:00 ***Lunch Break***

Session 3 Big data, biobanks, and genetic approaches in ILDs

Chairs: Paolo Spagnolo (IT) & Coline van Moorsel (NL)

- 14:00-14:10 **Welcome and introduction**
Lisa Maier (USA)
- 14:10-14:25 **Topic in Genetics/Genomics in ILDs**
Courtney Montgomery (USA)
- 14:25-14:40 **Topic in Genetics of sarcoidosis**
Natalia Rivera (SE)
- 14:40-14:55 **Topic in biobank data to unravel the disease pathogenesis of IPF**
Annelies Wind (NL)
- 14:55-15:15 **Panel Discussion**
All session faculty
- 15:15-15:25 **Summary and close**
Raphael Borie (FR)
- 15:25-15:45 ***Coffee Break, Poster Viewing, Exhibition***

Parallel Sessions

| 16:30-16:45 | Selected 3-minute Poster talks | Industry - Sponsored Lecture
Aula Medica (15 min) -see page 13 |

Session 4 Translational Medicine and data-driven clinical applications in ILDs

Chairs: Apostolos Bossios (SE) & Raphael Borie

- | | |
|--------------------|--|
| 16:45-16:55 | Welcome and introduction
TBD (10 min) |
| 16:55-17:10 | Topics in Potential drug targets using molecular data-driven analysis
TBD (10 min + 5 min Q&A) |
| 17:10-17:25 | Topic in Applications of Big data in IPF
Anna Duckworth (UK) |
| 17:25-17:40 | Topic in Big Data- can address sarcoidosis and IPF
Tasha Fingerlin (USA) |
| 17:40-17:55 | Panel Discussion
All session faculty |
| 17:55-18:05 | Summary and close
TBD (10 min) |
| 19:00-23:00 | <p>WELCOME RECEPTION

Elyse Lower (USA)</p> <p>Gerry James Lecture
The sarcoidosis saga: what insights from the past will guide us in the future
Robert Baughman (USA)</p> |

TUESDAY 20 June 2023

Session 5 Precision Medicine in the digital health era in ILDs

Chairs: Lisa Maier (USA) & Chair2

- 08:30-08:40 **Welcome and introduction**
Jonathan Kropski (USA)
- 08:40-08:55 **Topic in single-cell talk in IPF**
Ivana Yang (USA)
- 08:55-09:10 **Topic in single-cell talk in sarcoidosis**
Jonas Schupp (USA)
- 09:10-09:25 **Topic in single-cell talk in ILDs**
Thomas Weichhart (AT)
- 09:25-09:45 **Panel Discussion**
All session faculty
- 09:45-09:55 **Summary and close**
TBD (10 min)
- 09:55-10:15 **Coffee Break, Poster Viewing, Exhibition**

Session 6 Multiomics for diagnostics in ILDs

Chairs: Michelle Terwiel (NL) & Chair2

- 10:15-10:25 **Welcome and introduction**
Miriana d'Alessandro (IT)
- 10:25-10:40 **Topic in omics - proteomics in IPF**
TBD (10 min + 5 min Q&A)
- 10:40-10:55 **Topic in omics – microbiome in ILDs**
David O'Dwyer (USA)
- 10:55-11:10 **Topic in Omics in autoimmune diseases (or ILDs)**
Georg Stary (AT)
- 11:10-11:30 **Panel Discussion**
All session faculty
- 11:30-11:40 **Summary and close**
TBD (10 min)

Poster Moderated Session II

Chairs: Char1 & Chair2

- 11:40-11:55 Selected abstract for oral presentation
TBD (10 min + 5 min Q&A)
- 11:55-12:10 Selected abstract for oral presentation
TBD (10 min + 5 min Q&A)
- 12:10-12:25 Selected abstract for oral presentation
TBD (10 min + 5 min Q&A)

Industry - Sponsored Lectures

- 12:25-12:40 **Industry - Sponsored Lecture (15 min) - see page 13**
- 12:40-12:55 **Industry - Sponsored Lecture (15 min) - see page 13**
- 12:55-14:00 *Lunch Break*

Session 7 Immunological approaches and methods in ILDs, I

Chairs: Andrew Fontenot (USA) & Anna Smed Sørensen (SE)

- 14:00-14:10 **Welcome and introduction**
Eva Carmona Porquera (USA)
- 14:10-14:25 **The use of ex vivo human granuloma model to assist in the design of clinical trials for sarcoidosis**
Eliot Crouser (USA)
- 14:25-14:40 **Topic in Novel preclinical or animal disease models in ILDs**
Agostinho Carvalho (PT)
- 14:40-14:55 **Three-dimensional biochip pulmonary sarcoidosis model**
Mehdi Misraedi (USA)
- 14:55-15:15 **Panel Discussion**
All session faculty
- 15:15-15:25 **Summary and close**
Thomas Weichhart (AT)
- 15:25-15:45 *Coffee Break, Poster Viewing, Exhibition*

Parallel Sessions

15:45-16:15

**Poster Viewing with Authors
& Coffee**
Aula Medica Floor 2

Selected Poster talks (3 minutes)

Patient Education session I

Aula Medica (30 min) - see page 14
Chairs: TBD & TBD

Speaker: Paolo Spanoglo (IT)

Speaker: TBD

16:15-16:45

Patient Education session II

Aula Medica (30 min) - see page 14
Chairs: Susanna Kullberg (SE) & TBD

Speaker: FSR (USA)

Speaker: FSR (USA)

18:00-23:00

Swedish Midsummer Fest
at Skansen

WEDNESDAY 21 June 2023

Session 8 Immunological approaches and methods in ILDs, II

Chairs: Chair1 & Chair2

- 08:30-08:40** **Welcome and introduction**
Marcel Veltkamp (NL)
- 08:40-08:55** **Topic in Immunological studies in IPF**
Thomas Planté-Bordeneuve (BE)
- 08:55-09:10** **Topic in Immunological studies in ILDs**
TBD (10 min + 5 min Q&A)
- 09:10-09:25** **Topic in Integrative approaches for biomarker identification in ILDs**
Jelle Miedema (NL)
- 09:25-09:40** **Monocytes and dendritic cells as drivers of inflammation and predictors of disease outcome in sarcoidosis**
Anna Smed Sörensen (SE)
- 09:40-10:00** **Panel Discussion**
All session faculty
- 10:00-10:10** **Summary and close**
Andrew Fontenot (USA)
- 10:10-10:30** *Coffee Break, Poster Viewing, Exhibition*

Session 9 New approaches for quality of life, patient care, and palliative care in ILDs

Chairs: Jan Grutters (NL) & Azuma Arata (JP)

- 10:30-10:40** **Welcome and introduction**
Francesco Bonella (DE)
- 10:40-10:55** **Topic in Health Disparities in Sarcoidosis: Improving the outcome**
Marc Judson (USA)
- 10:55-11:10** **Topic in Fatigue and QoL in sarcoidosis/ILD**
Vivienne Kahlmann (NL)
- 11:10-11:25** **Monitoring health in ILD/IPF**
Adriane Vorselaars (NL)
- 11:25-11:45** **Panel Discussion**
All session faculty

11:45-11:55 Summary and close
Athol Wells (UK)

Poster Moderated Session III

Chairs: Chair1 (CZ) & Chair2

TBD (10 min + 5 min Q&A)

12:10-12:25 Selected abstract for oral presentation
TBD (10 min + 5 min Q&A)

12:25-12:40 Selected abstract for oral presentation
TBD (10 min + 5 min Q&A)

Industry - Sponsored Lectures

12:40-12:55 Industry - Sponsored Lecture (15 min) - see pages 13-14

12:55-14:00 *Lunch Break*

Session 10 Current clinical challenges in diagnosis and patient management in ILDs

Chairs: Athol Wells (UK) & Marlies Wijsenbeek (NL)

14:00-14:15 Welcome and introduction
Dan Culver (USA)

14:15-14:30 State of biomarkers in fibrotic ILD: when will they be ready for prime-time?
Antje Prasse (DE)

14:30-14:45 Molecular biology vs. clinical reasoning for diagnosis in ILDs
Bruno Crestani (FR)

14:45-15:00 Clinical implications of sarcoidosis pathogenesis: tools for diagnosis, prognosis, and therapeutics
Jan Grutters (NL)

15:00-15:20 *Coffee Break, Poster Viewing, Exhibition*

15:20-15:35 The oncologic model as a paradigm for the treatment of fibrotic lung disease: is it a good fit?
Katerina Antoniou (GR)

15:35-15:55 Panel Discussion
